Is Ever After really as happy as everyone expected? In a hilarious parody of daytime TV, host Sally Lizzie Jesse Donatello-Griffin wonders if time truly heals all wounds. She invites Cinderella and her middle-aged "beauty-impaired" stepsisters to reconcile with each other after being estranged for 20 years. What about Snow White and the Evil Queen? This hysterical fractured fairy tale has it all: a trash-talking clairvoyant mirror, an unfortunate prince who is turning slowly back into a frog and even Jiminy Cricket—now an occupational therapist and author of the book **My Life as Your Conscience**. The musical is punctuated by questions from obnoxious studio audience members and ridiculously funny infomercials for fairy tale related products. Get ready for a knee-slapping, hand-clapping good time!
